

Give your loved ones a lasting gift:

**Quit Tobacco For Life.**

Tobacco users are more likely to develop heart disease, and are at an increased risk for heart attacks and cancer.

Quitting tobacco can significantly decrease these risks.

When you partner with the Quit For Life® Program, we'll provide the knowledge, tools and support you need to quit for good.

Celebrate Heart Health Month by giving yourself the love you deserve. **Enroll today.**

The Quit For Life® Program is brought to you via a partnership between the American Cancer Society® and Free & Clear®. With 35 years of combined experience, the two organizations have helped over 1 million tobacco users. For every person who enrolls in the Quit For Life Program, \$1.25 goes to benefit the American Cancer Society.
